Angus VFD Report

Dylan Tidwell reported that we could receive the 3000-gallon stock tanker as early as next week, but it would be missing some accessories. We are going to wait until truck is complete with everything and should have this truck by the end of June 2025.

The smaller 2-person ultra-high pressure brush truck that can and will be used for medical calls should be delivered to us by the first or second week of August 2025.

The call volume has been lower for the month of May 2025.

Sewer Report

Kacy Perry was not present.

Police Report

Council reviewed the report.
