Angus VFD Report

Julie Humphries reported that we have received the first portion of our truck grant money, and should receive the final 10% soon. We must call a special meeting to approve the purchase of the brush truck from Skeeter Emergency Services, as well as sign the contract for the money to be released. Special meeting will be held on Tuesday August 19th at 7pm.

The VFD have been very busy with lots of calls and accidents on the interstate. Yesterday they worked an 18-wheeler roll over that shut down I45 for several hours.
